Dear Charlie:

Thanks for your good letter of 8 July. At last my plans are more or less settled and I am flying to Paris on August 1 and will be in touch with you in Antibes after your arrival on August 9. It may very well be that I could join you there sometime between the 15th and the 20th. Clover is already in Switzerland.

In any event, you will hear from me sometime after your arrival at the Cap.

Faithfully yours,
